

Full Name _____

Stock Market Crash of 1929 Podcast instructions and rubric.

Instructions

You are a news reporter. You've been assigned to produce a news story reflecting on the Stock Market Crash of 1929. It is 1943 and you must research the event to find all of the important facts in order to create a news podcast that covers the following points:

- Date range for when the event takes place.
- Causes of the crash.
- Repercussions of the crash.
- Date range when the country recovered.
- Reasons why the country recovered.

Length is not important as long as you cover all the important information.
